Dear Ms. Hjertaas:

**RE: That The City Stops using all Pesticide Chemicals**

Thank you for your correspondence dated September 25, 2018, and your subsequent attendance and presentation at yesterday's City Council meeting, regarding The City stopping the use of all Pesticide Chemicals.

As you are aware, City Council, in considering a Motion from Councillor C. Miller, along with your correspondence and presentation, at that time, approved the following motion:

*"That Administration provide a report back to City Council in March of 2019, on alternatives for The City to stop using all Pesticide Chemicals."*

In that regard, if you have any questions with respect to this matter, I would ask that you contact Jody Boulet, Director of Community Services, at 306-953-4800. Also, I will certainly endeavor to advise you when the report is to be considered.

Once again, on behalf of Mayor G. Dionne and members of City Council, thank you for taking the time to discuss this matter.

Yours truly,

Sherry Person  
CITY CLERK
